Re: *Welsh v. MetLife*  
*Case no. 04-5143 RBL*

Dear Judge Leighton:

I am enclosing for your review the Interrogatories and Requests for Productions served on defendants. I am also enclosing the following subpoenas:

- Metlife 30(b)(6) and Deloitte & Touch LTD Plan 30(b)(6);
- Dr. Robert Porter, President and CEO of Network Medical Review (NMR), who reviewed Mr. Welsh's records and prepared a report at the request of Metlife. Dr. Petrie whose record review the 9<sup>th</sup> Circuit found inadequate in Welsh 1 worked for Dr. Porter;
- Dr. Sharon Romm, of Medical Consultants Network (MCN), who performed a defense medical exam upon Mr. Welsh at the request of Metlife;
- Dr. Mark A. Silver, of MCN, who performed a defense medical exam upon Mr. Welsh at the request of Metlife;
- Corinne Hollingsworth, Group Insurance Supervisor for Deloitte & Touch;
- Judy Kapp, Karin Mohry, Kerry Ryan and Laura Sullivan are claims analysts for Metlife who made decisions regarding Mr. Welsh's claim. Ms. Sullivan was deposed by prior counsel Frank Darras before his winning appeal in Welsh 1.

Very truly yours,
